

Domestic Electric Countertop Compost Machine Bin 2.5L 500W

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Envitek
- Certification: ETL CB EMC LVD ERP ROHS
- Model Number: FW300NE-A1
- Packaging Details: color box+master carton
- Delivery Time: 35 days
- Payment Terms: L/C, T/T, Western Union, MoneyGram
- Supply Ability: 10000 PCS/MONTH

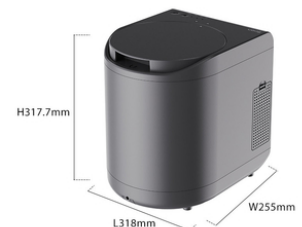

Product Specification

- Material: ABS
- Color: Gray Or Customize
- Dimensions (L X W X H (Inches): L318*W255*H317.7mm
- Power (W): 500W
- Installation: Desktop
- Capacity: 2.5L
- Highlight: domestic countertop compost machine, 500W countertop compost machine, domestic electric compost machine

Product Description

Product Description:

Food Waste Disposer is a machine which turn your kitchen waste to fertilizer by 4-8 hours. One button start, auto adjust the working time according to the water content of your waste. It increase people's convenience level while also allowing them to spend less time cleaning the kitchen and protect environment. Machine work by 3 steps: Drying-the very first step it will do, using high temperature to reduce almost all of the moisture of your waste. Grinding-the blades in the bucket will rapidly grinding and turn your waste into fertilizer. Last but not least -cooling down the temperature of bucket, you can take bucket out of machine right after.

Model	FW300NE-A1
Sound Level	<=55dB(A)
Power	500 W
Capacity	2.5L
Product size	L318*W255*H317.7mm
Filter	Activated Carbon

COMPANY ADVANTAGES

Our vision is to provide solutions for the healthy life of global consumers.

10+

10 years of OEM/ODM experience

66+

Business covers more than 66 countries and regions

44000M²

Factory space

50+

R&D personnel

Why Choose Us

- **Rich experience**

The earliest Chinese factory to produce food recycling machines can be traced back to 2017, and have provided OEM services to some major brands

- **Professional certification guarantee**

At present, we have obtained professional certifications in ETL, EMC, CE, and IVD for food recycling machines, which may also be the most fully certified manufacturer

- **Rich returns**

With more and more countries beginning to mandate waste classification and treatment, the market for counter top food recycling machines is currently growing rapidly. The prices of foreign B2C platforms are high, and our factory price can provide you with substantial returns

A NEW WAY TO DEAL WITH THE FOOD WASTE

90% Reduction
in Waste Volume
