

Medical HEPA Filter Humidifier Air Purifier 88CFM 150m³/H Custom

Basic Information

- Place of Origin: Anhui
- Brand Name: ENVITEK
- Certification: ETL CB EMC LVD ERP ROHS
- Model Number: KJH400GE-N1
- Packaging Details: color box+master carton
- Delivery Time: 30-45Days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 10000 Per Month

Product Specification

- Color: White
- CADR Rate: 150m³/h
- Function: Fresh Healthy Air
- Voltage (V): 100-240V 50/60 Hz
- Area Coverage: Under 48m²
- Product Size: Ø315*H633mm
- Highlight: **150m³/h Humidifier Air Purifier, 88CFM Humidifier Air Purifier, HEPA medical air purifier**

HEPA Filter Humidifier Air Purifier With 12 Hours Timer Setting

This dual-purpose appliance seamlessly integrates the functionalities of a humidifier and an air purifier, offering a comprehensive solution to enhance indoor air quality and maintain optimal humidity levels. As a humidifier, it is engineered to introduce moisture into the air, which is essential for alleviating the discomforts associated with dry indoor conditions, such as dry skin, irritated nasal passages, and static electricity. The humidification process is typically achieved through advanced technologies like evaporative methods, which convert water from a reservoir into a fine mist that is dispersed into the surrounding air, effectively raising humidity levels. Concurrently, as an air purifier, the device employs a sophisticated filtration system to capture and eliminate a wide range of airborne contaminants, including dust, pollen, pet dander, smoke, and other microscopic particles. This system often includes a multi-layered approach, with a pre-filter to catch larger particles, a HEPA filter to trap 99.97% of particles as small as 0.3 microns, and an activated carbon filter to neutralize odors and volatile organic compounds (VOCs), contributing to a fresher and cleaner atmosphere.

Product Specification

Model	KJH400GE-N1
Sound Level	<=62dB(A)(Max)
DC Power	100-240V 50/60HZ 35W
CADR rate	88CFM (150m ³ /h)
Product size	Ø315*H633mm
Area coverage	28-48 m ³

Product Features:

- It is an air purifier and a humidifier 2 in 1 machine
- Fog-free humidification will keep the air moist while the air purifier is working
- 3 in 1 HEPA-type filter, with carbon and nylon pre-filter • One Wick filter
- 4 speeds and sleep mode
- Auto mode - Air Quality Indicator by 3 colors
- UVC light plus Photocatalyst effectively eliminating bacteria, virus, odors • Digital display PM2.5 value
- Negative ions released
- 12 hours timer setting
- Filter changing reminder
- Wi-Fi control for option

Why Choose Us:

•Product development

Our Marketing Team continually evaluates Consumer needs and expectations and together with our Research Department look at ways to meet and exceed Consumer expectations in today's moving world of conveniences.

•Eye-Catching Design

Innovative Design Team, through Consultations and Customers, keeps abreast with trends in home appliances to be appealing to tomorrow's Consumers.

•Adequate verification

Reliability testing in normal use and abusive situations is exhaustively done during development and preproduction to insure the Consumer will enjoy a trouble free life for the product.

•Manufacturing capability

Longevity in a quality trained workforce assures capable processes delivers the best product to Name Brand Customers.

•Business Model

Envitek, being a world class manufacturer, thinks out of the box when it discusses and establishes OEM/OBM/ODM business relationships.
